- Voodoo II Edition ACR – all 31 units sold out within two hours
- Snakeskin Edition GTC – all 25 units sold out within two ordering days
- GTS-R Commemorative Edition ACR – all 100 units sold out within two ordering days
- Orders for the 2017 limited-edition models opened on Friday, June 24
- Responding to customer requests, Dodge is introducing Snakeskin ACR Edition and will build as many as 31 units

June 30, 2016, Auburn Hills, Mich. - Dodge Vipers certainly do go fast, both literally and figuratively. After first going on sale Friday, June 24, 206 special-edition 2017 Dodge Vipers designed with exclusive content to celebrate the 25th anniversary and final year of Viper production are totally sold out.

Leading the selling spree was the new 1:28 Edition ACR. All 28 units sold out in just 40 minutes. All 31 units of the Voodoo II Edition ACRs had new owners within two hours. The Snakeskin Edition GTC (25 units) and GTS-R Commemorative Edition ACR (100 units) took only two ordering days to sell out. All 22 units of the Dodge Dealer Edition ACR sold out within five ordering days.

"From just 40 minutes to five days, the 25th Anniversary special-edition Dodge Vipers sold out incredibly fast, insuring their future collectability," said Tim Kuniskis, Head of Passenger Cars – Dodge, SRT, Chrysler and FIAT, FCA – North America. "Our customers are asking, so we're adding one more special edition — the Dodge Viper Snakeskin ACR."

An all-new ACR version of the Snakeskin Edition will be made available with up to 31 units to continue the 25th Viper Anniversary celebration. Orders for the Snakeskin ACR special edition will open in mid-July.

New 2017 Viper Snakeskin Edition ACR

- Color was inspired by the original 2010 Snakeskin ACR

Industry-first '1 of 1' Viper Customization Program Continues

Continuing for the 2017 model year is the exclusive Viper "1 of 1" customization program that enables buyers to create their one-of-a-kind "Snake" from the ground up. With 16,000 exterior color options, including matte exterior finishes, 24,000 custom stripe colors, 11 wheel options, 16 interior trims and seven aero packages, three brake packages and four suspension options, there are more than 50 million ways for buyers to customize their one-of-a-kind Dodge Viper. Each "1 of 1" model Viper features a personalized instrument panel badge with customer's chosen name to commemorate their exclusive design. No two customers can order the same configuration, including color, in the same model year.

ACR Model Returns as Ultimate Street-legal Racer

The Dodge Viper ACR returns in 2017 as the indisputable "ultimate street-legal race car" with significant aerodynamic and suspension upgrades. Relaunched in 2016, the third edition (1999-2002, 2008-2010) of the Viper

ACR has taken the performance car world by storm with more track records than any production car in the world — a total of 13 road course lap records as certified by the Sports Car Club of America.

About Viper

All 2017 Dodge Vipers are powered by the iconic all-aluminum 8.4-liter V-10 engine that delivers 645 horsepower and 600 lb.-ft. of torque — the most torque of any naturally aspirated sports car engine in the world. Standard safety features include electronic multistage stability control, traction control and a new four-channel anti-lock brake system.

Since 1992, Dodge and SRT have built approximately 30,000 Vipers at the [Mack Avenue Assembly](#) (1992–1994) and [Conner Avenue Assembly Plant](#) (1995–current), both in Detroit.

Dodge//SRT

For more than 100 years, the Dodge brand has carried on the spirit of brothers John and Horace Dodge. Their influence continues today as Dodge shifts into high gear with a lineup that delivers unrivaled performance in each of the segments in which the brand competes while moving forward to a future that includes electrified muscle in the form of the next-generation, all-new Dodge Charger.

The next-generation Dodge Charger electrifies a legend, with the Charger retaining its title as the world's quickest and most powerful muscle car led by the all-new, all-electric 2024 Dodge Charger Daytona Scat Pack. The all-new Dodge Charger will also offer performance choices via multi-energy powertrain options including the 550-horsepower Dodge Charger SIXPACK H.O., powered by the 3.0L Twin Turbo Hurricane High Output engine.

Dodge also keeps its foot on the gas as a pure performance brand with the 710-horsepower Dodge Durango SRT Hellcat, the most powerful SUV ever, and best-in-class standard performance in the compact utility vehicle segment with the Dodge Hornet.
