Statement Regarding Discontinued Production of Fiat 500

August 31, 2019, Auburn Hills, Mich. - FIAT will discontinue production of the current-generation Fiat 500 and 500e in North America. Current inventory of the [2019 Fiat 500](#) and [500e](#) will last into 2020. In North America, FIAT will continue to offer the new Italian-designed, fun-to-drive [Fiat 500X](#) all-wheel-drive compact crossover, the [Fiat 124 Spider](#) roadster and the five-passenger [Fiat 500L](#) utility vehicle.
