CANADA: Special-edition Dodge Durango SRT 392 AlcHEMI Launches Yearlong “Last Call” for HEMI-powered Durango Models

- 2024 Dodge Durango SRT 392 AlcHEMI is first of a series of “Last Call” models that will commemorate final year of V-8 HEMI® engine production for Dodge Durango
- Details on additional Durango “Last Call” special-edition models, including vehicles based on the Durango SRT Hellcat, will be announced throughout 2024
- Dodge Durango SRT 392 AlcHEMI production limited to 100 units for Canada
- Unique content includes honeycomb-textured dual exterior stripes with yellow accents, 20-by-10-inch Satin Black forged wheels, yellow SRT Brembo brakes, yellow-accented 392 fender decals and more
- Unique SRT interior features include yellow and silver stitching accents, SRT “392” logo embroidered on seatbacks, leather and suede steering wheel featuring white LED SRT logo
- Production of the Dodge Durango SRT 392 AlcHEMI will begin in April, with vehicles to begin arriving at available dealerships starting in May

January 9, 2024, Windsor, Ontario - Dodge is kicking off a yearlong celebration of the brand's high-performance SUV with the introduction of the 2024 Dodge Durango SRT 392 AlcHEMI, the first in a series of “Last Call” models that will commemorate the final calendar year of V-8 HEMI® engine production for the Dodge Durango.

Production of all V-8 HEMI-powered Dodge Durango models, including the 710-horsepower Dodge Durango SRT Hellcat — the most powerful SUV ever, fueled by the supercharged 6.2-litre HEMI Hellcat V-8 engine — as well as 5.7L HEMI-powered Dodge Durango models, will wrap up at the end of 2024.

Details on additional 2025 model-year Dodge Durango “Last Call” special-edition models, including vehicles based on the Durango SRT Hellcat, will be shared throughout 2024.

“Just as we did with the Dodge Charger and Challenger, it's time to celebrate the V-8 HEMI engine that has powered Dodge domination of the performance SUV segment,” said Tim Kuniskis, Dodge brand chief executive officer – Stellantis. “Special-edition ‘Last Call’ models of the Durango will roll out during 2024 as we honour the most powerful SUV ever.”

2024 Dodge Durango SRT 392 AlcHEMI

The magic in the Dodge Durango SRT 392 AlcHEMI vehicle's transformation from a Durango SRT 392 Premium model is achieved through an abundant sprinkling, both inside and out, of unique custom content. Production of the all-wheel-drive 2024 Dodge Durango SRT 392 AlcHEMI will be limited to a run of up to 100 units for Canada, with a planned 25 each of four available exterior colours: Diamond Black, Destroyer Grey, Vapor Grey and White Knuckle.

Dodge Durango SRT 392 AlcHEMI special-edition vehicle content includes:

- 20-by-10-inch Satin Black forged SRT wheels
- Yellow SRT Brembo Brakes
- Satin Black “392” vinyl fender decals with yellow accents
- Honeycomb-textured dual exterior stripes with yellow-accent borders
- Black exhaust tips
- Midnight Metallic grille and liftgate badges
- Unique SRT interior accented with yellow and silver stitching

- SRT “392” logo embroidered on seatbacks; seats embellished with yellow and silver stitch
- Leather and suede steering wheel featuring white LED SRT logo
- Forged carbon fibre interior accents

Pricing and availability for the 2024 Dodge Durango SRT 392 AlChEMI will be available at a later date. The 2024 Dodge Durango SRT 392 AlChEMI will be built at the Detroit Assembly Complex – Jefferson, in Detroit, Michigan.

Dodge//SRT

For more than 100 years, the Dodge brand has carried on the spirit of brothers John and Horace Dodge. Their influence continues today as Dodge shifts into high gear with a lineup that delivers unrivaled performance in each of the segments in which the brand competes while moving forward to a future that includes electrified muscle in the form of the next-generation, all-new Dodge Charger.

The next-generation Dodge Charger electrifies a legend, with the Charger retaining its title as the world's quickest and most powerful muscle car led by the all-new, all-electric 2024 Dodge Charger Daytona Scat Pack. The all-new Dodge Charger will also offer performance choices via multi-energy powertrain options including the 550-horsepower Dodge Charger SIXPACK H.O., powered by the 3.0L Twin Turbo Hurricane High Output engine.

Dodge also keeps its foot on the gas as a pure performance brand with the 710-horsepower Dodge Durango SRT Hellcat, the most powerful SUV ever, and best-in-class standard performance in the compact utility vehicle segment with the Dodge Hornet.

Dodge is part of the portfolio of brands offered by leading global automaker and mobility provider Stellantis. For more information regarding Stellantis (NYSE: STLA), please visit www.stellantis.com.
