August 31, 2013, Auburn Hills, Mich. - The 2014 Dodge Grand Caravan celebrates its 30th birthday with a special model and a revised line-up to go along with its segment-leading innovations and unbeatable value. The 30th Anniversary edition will be available on SE and SXT models, as will an available Blacktop appearance package.

The 2014 Dodge Grand Caravan 30th Anniversary Edition will be available on both the SE and SXT models, and will continue to set the mark in minivan versatility, style and value. The Dodge Grand Caravan continues to be the best all-around vehicle for young families with more value added features.

Equipped with the 3.6-liter Pentastar V-6 with class-leading 283 horsepower and a six-speed automatic transmission, the exterior of the Dodge Grand Caravan SE 30th Anniversary Edition features unique 17-inch satin carbon aluminum wheels, body-color heated exterior mirrors and 30th Anniversary badging on the front fenders and the availability of Crystal Granite Pearl Coat paint. Unique interior appointments include silver accent stitching and piano black accents throughout, black cloth seats, a black leather-wrapped steering wheel, black leather-wrapped shift knob, black headliner and overhead console, bright heating and air conditioning trim bezels, power second- and third-row windows, a 30th Anniversary logo in the gauge cluster and 30th Anniversary logo on the key fob and the Uconnect Handsfree Group featuring SiriusXM Satellite Radio with a one-year subscription, Bluetooth streaming audio and voice command and an auto-dimming rear view mirror.

Dodge Grand Caravan SXT 30th Anniversary Edition builds on the SXT, including standard power sliding doors, power liftgate, Super Center Console, power adjustable pedals and much more. The 30th Anniversary Edition adds premium appointments, including unique 17-inch polished aluminum wheels with satin carbon pockets, bright chrome roof rack, bright window trim moldings, fog lamps, automatic headlamps and special 30th Anniversary badging.

On the inside, families are treated to all of the ingenious versatility of the Grand Caravan. Details include a customized gauge cluster with 30th Anniversary badging, Black Torino leatherette seats with premium suede inserts and silver accent stitching, power 10-way driver's seat, piano black accent trim bezels, bright chrome accents, Uconnect hands-free voice command with Bluetooth streaming audio, SiriusXM Satellite Radio with a one-year subscription and an auto-dimming rear view mirror.

Both models are available in unique Granite Crystal Pearl Coat paint and are also available in Billet Silver Metallic

Clear Coat, Brilliant Black Crystal Pearl Coat, Maximum Steel Metallic Clear Coat, Bright White Clear Coat, Deep Cherry Red Pearl Coat, Redline Red 2-Coat Pearl, Sandstone Pearl Coat or True Blue Pearl Coat.

The Blacktop package, an exclusive customized appearance, is available on SE and SXT models, and includes 17-inch polished aluminum wheels with gloss black pockets, a gloss black grille, black headlamp bezels, an all-black interior including headliner, door panels and console, unique black cloth seats and door trim panels with silver accent stitching, a leather-wrapped steering wheel with silver accent stitching and a leather shift knob. SXT models also include fog lamps.

Models equipped with the Blacktop appearance package are available in Granite Crystal, Billet Silver, Brilliant Black, Maximum Steel, Redline Red and -Bright White.

The 2014 Dodge Grand Caravan will be available in four models that fit almost any lifestyle and budget: the AVP, SE, SXT and R/T, with innovative design and features inherent in every model.

UNMATCHED VERSATILITY

Available on the AVP and standard on the SE, SXT and R/T is the industry-exclusive Super Stow 'n Go seating with new easy one-touch operation and more comfortable seats. The second-row Stow 'n Go seats in the Dodge Grand Caravan can be effortlessly stowed in less than five seconds with just one hand. And when not stowed, only Dodge Grand Caravan allows secure storage in the second-row in-floor bins. Standard on all Grand Caravan models is the 60/40 split-folding third-row Stow 'n Go seating. Only Grand Caravan can so effortlessly be transformed from hauling seven passengers to hauling cargo in a matter of seconds.

AWARD-WINNING ENGINE

At the heart of the 2014 Dodge Grand Caravan is the award-winning 3.6-liter Pentastar V-6 engine mated to a smooth-shifting six-speed automatic transaxle. This engine was named a "10 Best Engines" by Ward's Automotive three years in a row. In the Grand Caravan, the Pentastar V-6 delivers a best-in-class 283 horsepower and 260 lb.-ft. of torque and best-in-class 3,600 lbs. towing.

Dodge Grand Caravan also features a driver-selectable fuel economizer mode. Drivers can change the transaxle shift schedule with the push of a button to maximize their fuel economy. In addition, lower-rolling resistance tires, a spoiler and reduced mechanical drag all contribute to Dodge Grand Caravan's class-leading aerodynamics and efficient fuel economy. Even with the potent V-6 powertrain, Grand Caravan still manages to deliver a generous fuel economy rating of 25 miles per gallon (mpg) on the highway, which translates to 500 miles on a single tank of gas.

R/T is where versatility meets performance and attitude. Uniquely designed both inside and out, the Dodge Grand Caravan R/T features a suspension tuned for sporty handling, while still providing a comfortable ride. The shocks were re-tuned to work in conjunction with the higher rate springs at all four corners. These changes allow for quicker responses to driver input and tighter handling characteristics.

EXTERIOR DETAILS

Grand Caravan's design is intended to convey the dynamic driving nature of the vehicle. A front fascia that sports the Dodge signature "split crosshair" grille and quad headlamps combine to give the face of the 2014 Grand Caravan a sporty feel. A sculpted rear fascia and liftgate and rear "ring of fire" LED taillamps completes the look from front to back.

Another innovation from the minivan leader is the Stow 'n Place™ roof rack system that lets owners stow the roof bows in the side rails when they're not using them and snap them easily into place when needed. The ability to stow the roof bows when they're not being used means less aerodynamic drag and wind buffeting and better overall efficiency.

PREMIUM INTERIOR

Owners will step inside to a world-class interior. A modern, one-piece instrument panel is intuitive for the customer with instinctive ergonomics and large gauges, with premium bright accents and soft-touches throughout. An available "super" center console provides clever functionality and storage for the active commuter, as well as easy driver/passenger access with a pass-through storage space for larger items, like a purse.

A three-spoke steering wheel with integrated controls for audio, navigation and speed control also offers a minivan-first heated steering wheel option. The best storage in the segment rounds out the improved interior..

MORE THAN 45 SAFETY, SECURITY AND TECHNOLOGY FEATURES KEEP FAMILIES SAFE AND CONNECTED

Safety and security features include standard front seat-mounted side air bags, a driver-side knee blocker air bag, three-row side-curtain air bags, electronic stability control (ESC), tire pressure monitoring and remote keyless entry. The available Safety Sphere Package of features includes ParkSense® rear park assist system, ParkView® rear backup camera, Blind-spot Monitoring and Rear Cross Path detection system, rain-sensitive wipers and automatic headlamps.

Dodge Grand Caravan is 2013 Insurance Institute for Highway Safety (IIHS) Top Safety Pick.

With class-leading cargo capacity, best-in-class power, 100,000-mile powertrain warranty and segment-exclusive Super Stow 'n Go, the 2014 Dodge Grand Caravan truly is the industry's most versatile cargo and passenger vehicle. And with pricing now starting at an affordable \$19,995 MSRP, it's also the most affordable.
