August 31, 2016, Auburn Hills, Mich. - Building on the style, efficiency and driving enjoyment that has made the Fiat 500 an icon, the Fiat 500L expands the Cinquecento's appeal by offering 42 percent extra interior space with comfortable seating for five, engaging driving dynamics and a 160-horsepower 1.4-liter MultiAir Turbo engine, all wrapped in contemporary Italian design.

Highlights

- Fiat 500L pays design homage to FIAT brand's history of innovative multifunctional vehicles. The exterior exudes contemporary Italian design with iconic Cinquecento cues. Inside, the Fiat 500L features segment-exclusive glass from the A- and D-pillars for an interior environment encapsulated by nearly 360-degree views
- Building upon the Cinquecento's fun-to-drive DNA, the 2017 Fiat 500L features a touring-tuned chassis. A MacPherson front-suspension design delivers exceptional rigidity for increased cornering performance and reduced weight, while at the rear, the Fiat 500L features a torsion axle structure with a high level of rolling rigidity to save the weight of an anti-roll bar. Koni frequency selective damping (FSD) front strut and rear shock absorbers to deliver improved road-holding and handling characteristics
- The 2017 Fiat 500L Trekking expands the appeal and practicality of the Fiat 500L with distinct, rugged looks; an athletic two-tone interior environment; unique front and rear fascia designs; flared wheel arches and larger 17-inch wheels to support its adventurous personality
- The Urbana Appearance Package, available on Trekking models, offers 17-inch wheels painted Matte Nero, paired with Matte Nero exterior mirrors and bezels on the front and rear fascia, side sills and body-side molding. Satin Chrome door handles, tail lamp bezels and accents on the front and rear fascia complement the Matte Nero details throughout the exterior. A Rosso (red) roof and exterior mirror package is also available
- Building upon the Cinquecento's fun-to-drive DNA, the 2016 Fiat 500L features a touring-tuned chassis, which complements its MultiAir Turbo engine
- More than 40 available safety and security features are available on the 2017 Fiat 500L, including ParkView rear backup camera, electronic stability control, seven standard air bags, reactive head restraints and ParkSense rear park assist system
- The 2017 Fiat 500L features innovative technology, including the available Uconnect 6.5 with a 6.5-inch touchscreen, voice operation of AM/FM and standard SiriusXM Radio, mobile phones and navigation

system

- Passengers can experience music the way the artist intended with the 500L's BeatsAudio studio-quality sound system, which includes six premium speakers, a 6.5-inch dual-voice coil (DVC) subwoofer with trunk-mounted enclosure and eight-channel amplifier with BeatsAudio digital sound processing (DSP) algorithm
