2018 Alfa Romeo 4C Coupe and Spider Fact Sheet

October 4, 2017, Auburn Hills, Mich. - Since its foundation in Milan, Italy, in 1910, Alfa Romeo continues to design and craft some of the most stunning and exclusive cars in automotive history, all while building on a racing heritage that includes some of the most talented and storied drivers and victories. The 2018 Alfa Romeo 4C offers driving enthusiasts a mid-engine design inspired by the brand's legendary racing history and represents the essential sportiness embedded in the brand's DNA. Handcrafted in Modena, Italy, the Alfa Romeo 4C Coupe and 4C Spider offer seductive Italian styling and a state-of-the-art Formula 1-inspired carbon fiber monocoque chassis that enables an incredible 10.4 power-to-weight ratio. Advanced technologies include the all-aluminum 1750cc turbocharged engine with direct-injection, dual intercoolers, and variable-valve timing, enabling supercar-level performance.

New for 2018

- Front fascia with carbon fiber vents (optional on 4C Coupe and Spider)
- Black leather seats/interior with Yellow accent stitch
 - Now available with Black, White and Basalt Gray-painted 4C Coupe and Spider

Highlights

- Weighing less than 2,500 pounds, the ultralight carbon fiber monocoque and aluminum chassis help contribute to an incredible 10.4 power-to-weight ratio
- Race-inspired performance: 0-60 miles per hour (mph) in 4.1 seconds thanks to an all-aluminum 1750cc direct-injection, dual intercooled, turbocharged engine paired to the blistering fast six-speed Alfa TCT (twin-clutch transmission) and Alfa DNA Pro Drive Mode Selector with four adjustable drive modes
- The Akrapovic dual-mode exhaust system is linked directly to the four Alfa DNA Pro selector drive modes, providing maximum Alfa Romeo sound in Dynamic and Race modes, and providing a quieter motoring experience in Natural and All-weather modes.
- Carbon Fiber Trim Package further proliferates the 4C's use of carbon fiber on air vents, instrument cluster surround, instrument panel and shift bezel
- 4C Coupe features two composite-framed sport seats, with standard leather on Spider, and an exposed carbon fiber monocoque that exemplifies its race-inspired technologies

Alfa Romeo

Born in 1910 in Milan, Italy, Alfa Romeo has designed and crafted some of the most stylish and sporty cars in automotive history. That tradition lives on today as Alfa Romeo continues to take a unique and innovative approach to automobiles. The Alfa Romeo Stelvio sets a benchmark in performance, style and technology in an SUV. The award-winning Alfa Romeo Giulia delivers race-inspired performance, advanced technologies and an exhilarating driving experience to the premium midsize sedan segment. In early 2023, Alfa Romeo will offer its first compact SUV with the all-new Tonale. The globally available Tonale is part of a radical evolution taking place at Alfa Romeo, which looks ahead to a new era of electrification and connectivity. Alfa Romeo is part of the portfolio of brands offered by leading global automaker and mobility provider Stellantis.
