2019 Chrysler Pacifica / Pacifica Hybrid Fact Sheet

June 28, 2018, Auburn Hills, Mich. - The Chrysler Pacifica and Pacifica Hybrid reinvent the minivan segment with an unprecedented level of functionality, versatility, technology and bold styling. Re-engineered from the ground up on an all-new platform, the Pacifica delivers class-leading gasoline and hybrid powertrains to the minivan segment. The Pacifica Hybrid takes this revolutionary vehicle a step further with its innovative, advanced hybrid powertrain. It's the first electrified vehicle in the minivan segment and achieves more than 80 miles per gallon equivalent (MPGe) in electric-only mode, an all-electric range of more than 30 miles and a total range of more than 500 miles.

With more than 100 available safety and security features, the Uconnect Theater rear-seat entertainment system, available 4G Wi-Fi and a full array of comfort and convenience technologies, the Chrysler Pacifica has earned its spot as the most awarded minivan since 2016, with both the Pacifica and Pacifica Hybrid serving as no-compromise minivans ideally suited for today's families.

New for 2019

- Celebrating 35 years of minivan leadership, the 35th Anniversary Edition available on Pacifica Touring L (gas/hybrid), Touring L Plus and Limited (gas/hybrid) models feature new badging, an all-black interior with Cranberry Wine accent stitching and upgraded content
 - A 35th Anniversary badge and a Liquid Chrome Chrysler Wing badge with a Gloss Black insert on the front fascia grille and rear liftgate are featured on the exterior
 - The luxuriously appointed all-black interior features Cranberry Wine accent stitching on McKinley and Nappa leather perforated seats, steering wheel, door trim, bezels on the instrument panel and door handles and a 35th Anniversary embroidered logo on the front floor mats

- Pacifica Hybrid Limited features standard new 17-inch polished wheels with painted Tech Grey pockets, memory (seats, audio, mirrors), power folding mirrors and Auto Advance 'n Return (driver and passenger); S Appearance Package is available

Highlights

- The Chrysler Pacifica minivan features a choice of two powerful, efficient and advanced powertrains:
 - The segment's first hybrid vehicle delivering 82 MPGe in the city with FCA US-designed, innovative dual-motor eFlite electrically variable transmission (EVT)
 - The next generation of the award-winning Pentastar V-6 gasoline engine, which is mated to a segment-exclusive TorqueFlite nine-speed automatic transmission delivering 287 horsepower and 262 lb.-ft. of torque
- The Pacifica Hybrid, the industry's first electrified minivan, delivers 82 MPGe and a range of 32 miles solely on zero-emissions electric power from a 16-kWh lithium-ion (Li-ion) battery, as well as a 520-mile total gas and electric range
 - The pivotal technology behind the Chrysler Pacifica Hybrid is its innovative eFlite single-electrically variable transmission (Si-EVT). Designed by FCA US, the device features two electric motors, which are both capable of driving the vehicle's wheels
- The Chrysler Pacifica was re-engineered from the ground up on an all-new platform, delivering exceptional ride and handling and reduced noise, vibration and harshness (NVH). Its body structure is light and stiff, making it more responsive with lower levels of body roll and enhanced agility to absorb and distribute road inputs
- The Chrysler Pacifica showcases the latest in advanced safety and security technology, offering more than 100 standard and available safety and security features, including 360-degree Surround View Camera, ParkSense Parallel/Perpendicular Park Assist, Adaptive Cruise Control with Stop and Go and Forward Collision Warning-Plus
- The Chrysler Pacifica is the most technologically equipped vehicle of its kind, offering the Uconnect Theater entertainment system with two 10-inch seatback touchscreens, 7-inch full-color driver information display, Uconnect App and an array of other features, including the Uconnect 4 systems with a 7-inch or 8.4-inch touchscreen, standard Apple CarPlay and Android Auto and available 4G Wi-Fi
- Apple CarPlay enables iPhone users to access Apple Maps, Messages, phone and Apple Music through Siri Voice control or the Uconnect touchscreen
- Android Auto enables easy and safe access to Google Voice Search, Google Maps and Google Play Music via the Uconnect touchscreen or steering wheel controls
- Uconnect 4 systems include fast startup time, enhanced processing power, vivid imagery, high resolution and sharp graphics
- For audiophile-quality sound, the Chrysler Pacifica comes standard with six speakers and Active Noise Cancellation. Premium audio systems, either a 13-speaker Alpine system or a 20-speaker Harman Kardon surround sound system, are also available
- Other convenience features include the available Stow 'n Vac integrated vacuum powered by RIDGID; redesigned Stow 'n Go seating and storage system with Stow 'n Go Assist and Easy Tilt; and segment-first handsfree sliding doors and liftgate that open with the kick of a foot

Chrysler Brand

The Chrysler brand has delighted customers with distinctive designs, craftsmanship, and advanced innovation and technology since the company was founded in 1925. Chrysler continues to build on that nearly 100-year legacy of creating ingenious products and technologies for mainstream customers, moving forward on an electrified transformation that will launch the brand's first battery-electric vehicle in 2025 and an all-electric portfolio in 2028.

The Chrysler Pacifica continues to reinvent the minivan, a segment Chrysler created 40 years ago. The Chrysler Pacifica Plug-in Hybrid symbolizes the brand's electrification evolution, representing the first electrified minivan in the segment and achieving 82 MPGe, an all-electric range of 32 miles and a total range of 520 miles. Chrysler Pacifica delivers the most standard safety features and most advanced available all-wheel-drive system in its class and is also the most awarded minivan over the last seven years with more than 175 honors and industry accolades since its introduction as a minivan.

Chrysler is part of the portfolio of brands offered by leading global automaker and mobility provider Stellantis. For more information regarding Stellantis (NYSE: STLA), please visit www.stellantis.com.
