- Report “is the most respected evaluation of corporate America’s employment opportunities and policies as they pertain to Latinas”
- Sixteenth year the Company has been included in the Top 50 Report since the benchmark was established in 1998

September 18, 2019, Auburn Hills, Mich. - The editors of Latina Style magazine have selected FCA US LLC as one of the [2019 Top 50 Best Companies for Latinas](#) to work in the U.S. The Company ranked #14 on the list, which will be featured in the magazine’s LS50 Report released in September.

The LS50 Report highlights companies that have a dedicated effort to diverse recruitment and promotion initiatives, including companies that have programs to recruit veterans and military personnel. It is considered “the most respected evaluation of corporate America’s employment opportunities and policies as they pertain to Latinas.”

More than 800 companies were evaluated for inclusion on the list and this is the 16th year the Company has been included in the Top 50 Report since the benchmark was established in 1998.

“FCA US diversity and inclusion efforts are central to our business strategy and our ability to attract and retain top talent,” said Alisa Nagle, Head of Human Resources, FCA – North America. “Our consistent performance on this important benchmark reflects our commitment to respect and fully engages all people and cultures.”

Latina Style magazine began the LS50 Report as “a quest to explore deeper into the business world and bring forth powerful and useful information on the growing importance of recruiting professional Latinas.”

In 1997, with the assistance of the U.S. Department of Labor, the U.S. Equal Employment Opportunity Commission and national Hispanic organizations, the magazine developed a comprehensive survey that is sent annually to Fortune 1000 companies. The LS50 Report, the result of that annual survey process, highlights each selected company’s leadership programs, employee benefits and Latina representation in senior positions.

The report is distributed to Hispanic professional and civic organizations, national women’s organizations, colleges and universities, all members of the U.S. Congress, the White House, members of the Cabinet, military and veteran’s organizations. The report is also distributed at major Hispanic and recruitment conferences.

“We congratulate FCA US on the outstanding career advancement opportunities it continues to provide its employees,” said Robert Bard, President & CEO, Latina Style magazine. “Such an outstanding record of performance can only be achieved when there is full commitment throughout the Company to diversity and inclusion.”
