Family Famous: 2021 Chrysler Grand Caravan Available Exclusively for Canada

July 16, 2020, Windsor, Ontario - The Chrysler brand today announced the next chapter of its award-winning minivans, the 2021 Chrysler Grand Caravan, exclusively for Canada.

Canada's favourite minivan lineup for more than three decades is expanding for the 2021 model year with the addition of the new-generation Chrysler Grand Caravan. It offers even more value for those who seek the quintessential family vehicle. Designed with budget-friendly family customers in mind, the Grand Caravan delivers an exceptional driving experience. Standard features and utilities include seven-passenger seating and the Uconnect 4 system with a seven-inch touch screen with Apple CarPlay and Android Auto smartphone compatibility. Well-equipped to stand against the competition, the Grand Caravan is a no-compromise minivan at an unbeatable value.

"We're incredibly proud to maintain the 'Grand Caravan' nameplate exclusively in the Canadian marketplace," said David Buckingham, President and CEO, FCA Canada. "Particularly here in Canada, that name has become synonymous with affordable, safe and innovative family transportation that the 2021 Chrysler Grand Caravan builds upon."

As the first company to introduce the minivan and through six generations of the vehicle, FCA Canada has innovated 115 minivan firsts. The company has sold more than 15 million minivans globally since 1983, twice as many as any other manufacturer over the past 37 years.

The 2021 Chrysler Grand Caravan is built at the Windsor Assembly Plant (Ont.) and goes on sale in the third quarter of 2020.

New for 2021:

- Expanding the award-winning FCA Canada minivan lineup, the Chrysler Grand Caravan now offers two value-add models – Grand Caravan (base) and Grand Caravan SXT
