

2022 Alfa Romeo Giulia Fact Sheet

September 30, 2021, Auburn Hills, Mich. - The 2022 Alfa Romeo Giulia Sprint, Giulia Ti and Giulia Veloce deliver race-inspired performance with class-leading 280 horsepower, advanced technologies, seductive Italian style and available all-wheel-drive system, while providing an exhilarating driving experience in the premium midsize sedan segment. For 2022, enhancements to the Giulia lineup include new standard advanced driver-assistance system (ADAS) technology, as well as safety and convenience features across all trim levels.

The Giulia Quadrifoglio represents the halo of the lineup and highlights Alfa Romeo's exclusive motorsports and performance expertise with a best-in-class, 505-horsepower, 2.9-liter, twin-turbocharged V-6 engine, earning the title of the most powerful Alfa Romeo production car and the quickest with an unsurpassed 3.8-second 0-60 miles per hour (mph) time. Plus, Giulia Quadrifoglio set a Nürburgring record lap time of 7 minutes, 32 seconds, the fastest ever by a five-passenger production sedan.

New for 2022:

- Giulia offers four streamlined trims: Sprint, Ti, Veloce and Quadrifoglio
- New Veloce trim replaces outgoing Ti Sport trim, offering a performance gateway to the Giulia lineup and compliments the luxury-focused Ti trim
- New standard ADAS technology, convenience features, exterior and interior features:
 - Standard ADAS technology:
 - Active Blind-spot Assist
 - Active cruise control
 - Lane Departure Warning
 - Automatic high-beam headlamps
 - Front and rear park sensors
 - Standard convenience features:
 - Front and rear heated seats
 - Navigation system
 - Wireless charging pad
 - Auto-dimming rearview mirror
 - Air quality system
 - Trunk-mounted grocery bag hooks and cargo net (Ti and Veloce)
 - Standard exterior features:
 - Dark appearance, dark grille and DLO
 - Sport front fascia
 - Veloce-exclusive finned rear diffuser
 - 35W bi-xenon adaptive headlamps
 - Standard interior features:
 - Aluminum column-mounted paddle shifters (Sprint and Veloce)
 - Dark headliner (Sprint, Ti, and Veloce)
 - Aluminum sport pedals and foot rest (Sprint, Ti and Veloce)

Highlights

Available ADAS features level 1 and 2 autonomy and high level of safety and security content, including:

- Highway Assist System
- Traffic Jam Assist system
- Traffic Sign Recognition
- Lane Keep Assist
- Active Blind-spot Assist
- Driver attention alert
- Intelligent Speed Assist
- Standard Full-speed Forward Collision Warning-Plus

Standard 8.8-inch center touchscreen display with state-of-the-art connectivity and additional standard content, including:

- Driver-configurable interactive widgets and horizontal scroll for additional personalization with improved layout, vehicle performance pages and expanded navigation view
- Standard 7-inch thin-film transistor (TFT) driver instrument cluster screen displays vehicle information, including advanced ADAS functionality and vehicle information pages
- Host of connectivity features: Wi-Fi hotspot, mobile app with remote operations, SOS Call (private) and Roadside Assistance, Vehicle Finder, Stolen Vehicle Locator and Assistance and select Firmware Over the Air (OTA) updates

Upscale interior with premium content:

- Upscale center console that features leather-wrapped gear shifter with bright accents, premium rotary knobs and dial materials, open front storage with large cup holders, abundant storage capacity and available wireless mobile phone charging pad
- Steering wheel designs for all Giulia models include high-end materials and bezel finishes adding distinctive style
- All Giulia sedans are well-equipped with standard leather seating, Apple CarPlay, Android Auto, SiriusXM radio, keyless passive entry, remote start, bi-xenon headlamps with LED daytime running lamps (DRL) and LED taillamps, Alfa DNA Drive Mode selector, backup camera with rear park sensors and Full-speed Forward Collision Warning-Plus
- The sports car of its segment, Giulia features near perfect 50/50 weight distribution and class-leading power and performance with key race-inspired features, including a class-exclusive carbon-fiber driveshaft, flat-bottom Formula One-inspired steering wheel, Alfa DNA Drive Mode selector and an eight-speed automatic transmission with available steering column-mounted aluminum paddle shifters with gear shifts in less than 100 milliseconds

Powertrain:

- Giulia Sprint, Giulia Ti and Giulia Ti Sport feature an all-aluminum, 2.0-liter direct-injection turbocharged engine with class-leading, standard 280 horsepower and 306 lb.-ft. of torque, delivering 0 to 60 mph in 5.1 seconds and a top speed of 149 mph
- All Giulia sedans feature an eight-speed automatic transmission with available column-mounted aluminum paddle shifters, providing enthusiasts with shifts in less than 100 milliseconds
- The Ferrari-derived, 505-horsepower V-6 twin-turbocharged engine in the Giulia Quadrifoglio delivers 0-60 mph in 3.8 seconds and a top speed of 191 mph
- Giulia Quadrifoglio features a best-in-class power-to-weight ratio of approximately 7 pounds per horsepower, as well as the most direct steering available, thanks to a rear-wheel-drive-based Giorgio architecture with extensive use of lightweight materials
- Giulia Quadrifoglio features distinct styling and the most powerful production Alfa Romeo engine ever developed with a 505 horsepower, 2.9-liter twin-turbocharged and intercooled V-6 engine, carbon fiber hood, roof and rear spoiler, adaptive performance suspension, Alfa DNA Pro with Race Mode, torque vectoring rear differential, carbon fiber active aero front splitter, Harman Kardon premium audio system, carbon fiber interior trim and 3D navigation
- The performance-inspired Giulia Quadrifoglio also benefits from unique design features, including standard anodized brake calipers with red Alfa Romeo script and signature 19-inch bright 5-hole aluminum wheels

Alfa Romeo

Born in 1910 in Milan, Italy, Alfa Romeo has designed and crafted some of the most stylish and sporty cars in automotive history. That tradition lives on today as Alfa Romeo continues to take a unique and innovative approach to automobiles. The Alfa Romeo Stelvio sets a benchmark in performance, style and technology in an SUV. The award-winning Alfa Romeo Giulia delivers race-inspired performance, advanced technologies and an exhilarating driving experience to the premium midsize sedan segment. In early 2023, Alfa Romeo will offer its first compact SUV with the all-new Tonale. The globally available Tonale is part of a radical evolution taking place at Alfa Romeo, which looks ahead to a new era of electrification and connectivity. Alfa Romeo is part of the portfolio of brands offered by leading global automaker and mobility provider Stellantis.
